San Mateo County Sheriff's Office Booking Registers

Index by Jo Rebeck, Barry Goyette, Michelle McLaughlin, Edited by Cath Trindle

"Known volumes cover the years 1924 thru 1953. Unfortunately volumes 1-6 were not located, although they are listed in the WPA guide to San Mateo County Records. It is our hope that they will turn up at some later

"This index includes over 12,000 entries from volumes 7 and 8 covering the years 1924 to 1931.

"It was not uncommon for homeless residents to lodge in the jail. You can find not only the aged and disabled who had no means of support, but also those traveling into the county to find work. Often, time of residence

"The records give a wealth of information. Besides the surname, given name and alias you will find the day of incarceration, occupation, age, height, weight, time in county, state and U, where picked up, by whom, the justice, the code under which the person was picked up, hour of arrest, hour of release, number of meals

"By agreement with the sheriff the society is only posting a portion of the index, using the same criterion as release of the census. A complete index to volumes 7-16 is available in the SMCGS library only. The register copies are also located in the SMCGS library and may only be extracted on a per record basis and not

If you are unable to visit the SMCGS library, the society will do research for \$12 an hour with a one hour minimum. If you find a name in the online index, the society will provide you with a complete transcription for
