a Transcription of the official index

by Carrie Fay and Cath Trindle

Abstract of Judgment is a copy or summary of a courts judgment. It is a document disclosing a monetary award issued by the court in favor of a person who won the lawsuit against a losing defendant. It includes the rate of interest to be paid on the judgment amount, court costs, and any specific orders for the losing defendant. An abstract of judgment is a public record and creates a lien on any real estate property owned by the defendant in the county in which the abstract of judgment is recorded. Issuance procedure and contents of abstract of judgment varies according to statutes. (USLegal.com)
