

San Mateo County

Juror Lists

1908-1932

Drawer RC5B1-31

The lists in this drawer are a combination of Certified Lists created by the Board of Supervisors at the request of various court judges and lists created to show that the jury summons had been delivered. When both existed for the same time and court, double entries were eliminated. There are many gaps in the lists. Some lists name the court that has requested jurors, others do not. Some lists give a residence address others do not.

A few notes

- In 1912 county courts took month of July off
- in 1922 Woodside and Portloa were part of Redwood City R FD
- With the right to vote for women the juror lists swelled with women's names. On some lists, note in particular that for the Grand Jury in 1930 the majority of those on the lists were women.
- List of some SMC Judges
 - 1929 Albert Mansfield - City court of San Carlos
