## Notes

- (defd) = defendant Surnames with prefix should be searched with and without the prefix - example - de Haro and Haro
- (pltf) = plaintiff Multiple Grantors and Grantees names have been listed separately so that the second party will have recognition also.
- att. = attorney There is no index or alphabetization of the grantees, but the Recorder has cross-referenced all parties to the individual agreements.
- CP = Co Partnerships Thus the categories "GRANTOR", "GRANTEE", "NATURE OF INSTRUMENT" and "PROPERTY ENCUMBERED" are not relevant to the entries. This standard-printed volume was used as
- D = Deed Volume "\*" Symbol represents the subject of Probate Court proceedings and not the Grantee Applies to the Surname section of 'P' only.
- ES = Estray Volume This Index volume appears to have been created by the county out of necessity as the usual consecutive filing by page numbers is inconsistent perhaps by misfiling the order of documents
- L = Leases "Mac" prefixes are attached to the surname, and "Mc" prefixes are separated.
- LS = Lis Pendens Volume
